

Brandon Shakespeare

Brandon Shakespeare was born in Miami, Florida, but raised in Conyers, Georgia. He grew up in the Rockdale County District and attended Rockdale Magnet School for Science and Technology. His graduation senior class only consisted of 80 students. Not only did Brandon complete many AP Courses, he also joined many clubs. Some of those clubs were Student Council, Mock Trial, National Honor Society, and the Superintendent's Student Advisory Council. One of Brandon's proudest accomplishments was becoming a Nationally Distinguished Student Leader in his Junior year of High School. During his time at RMSST, Brandon developed a passion for medicine, which is why he is choosing to attend Augusta University and majoring in Biology pre-med.
